EDUCATION

Velammal Engineering College	Chennai, TN
B.E CSE with specialization in Full Stack Development CGPA – 8.73	Nov. 2021 – May 2025
Velammal Matriculation Higher Secondary School	Chennai, TN
HSC Percentage – 93.8 %	July 2020 - July, 2021
Velammal Matriculation Higher Secondary School	Chennai, TN
SSLC Percentage – 94.6 %	July 2019 - July, 2020

EXPERIENCE

Front-End Intern , Hoppy Mobility	Feb 4 – May 30, 2024
<ul style="list-style-type: none">Developed the Official websites and Restaurant Ordering App using Flutter enhancing frontend development skills .Gained proficiency in modern front-end development practices and techniques, enhancing skills in creating visually appealing and user-friendly interfaces.	
Consultancy, ENFUSE	Feb 2 – April 30, 2024
<ul style="list-style-type: none">Designed and implemented the front-end of the official website for ENFUSE using Next.js, integrating Clerk for user authentication and Storyblok for content management.Focused on creating a visually engaging and user-friendly interface, incorporating advanced animations with GSAP to enhance the user experience.	
Front-End Intern, Aara Info Systems	Aug 21 – Nov 17, 2023
<ul style="list-style-type: none">Conceptualized an e-commerce website for the client Indian Princess using Flutter, aligning with the client's business logic and requirements.Acquired substantial hands-on experience in web development and testing within a fast-paced, collaborative environment.	
Front-End Intern, IBM Skill Build	Jan 23 – Feb 6, 2023
<ul style="list-style-type: none">Engaged in an intensive two-week online internship program specializing in front-end web development.Acquired foundational expertise and practical experience in JavaScript and React, enhancing a robust comprehension of web development principles.	

PROJECTS

E-waste Locator | MERN

- Architected a comprehensive web application leveraging the MERN stack (MongoDB, Express.js, React, Node.js).
- Enforced Clerk for robust user authentication, ensuring secure access and user management with Node mailer for effective communication with clients and e-waste centres.
- Facilitated connections between customers and e-waste centres, providing diverse disposal options and promoting awareness about the escalating issue of electronic waste.

Book Share | MERN

- Implemented a book rental platform, Book Share, utilizing the MERN stack to foster community book sharing.
- Built a responsive user interface for seamless book discovery and rental management across various devices (desktop, mobile, tablet).

Flavour Fusion | Flutter, Firebase

- Engineered a food delivery app for Android and iOS using Flutter for UI/visuals and state management, and Firebase for Firestore database management and user authentication.
- Gained in-depth knowledge of cross-platform mobile development, enhancing understanding of UI/UX design principles and state management techniques with consistent, pixel-perfect user experience.

Real Time Chat Application | MERN stack

- Crafted a real-time chat application using the MERN stack, incorporating user authentication, real-time messaging, and logout functionalities.
- Learned knowledge on the internal workings of user authentication, tokens, and HTTPS requests and responses through manual implementation.

SKILLS AND INTERESTS

Programming Languages: Java, C

Web Development: HTML, CSS, JavaScript, ReactJS, NodeJS , ExpressJS , TailwindCSS , GSAP

App Development: Flutter, Firebase

Database: SQL, MongoDB

Soft Skills: Teamwork, Leadership, Communication, Strategic thinking, Collaborative, Time Management

Interest: Web Development, App development, Data Structures and Algorithms

CERTIFICATIONS AND WORKSHOPS ATTENDED

Full Stack development workshop | Imarticus | Jan 23 – Jan 31, 2024 .

Full stack development workshop | VEC symposium | Nov 2023 .

Data Structures and Algorithms in Java | NPTEL | Jul – Oct 2023.

Code the node and way to cloud | CWD | Aug 4 – Aug 6, 2023.

ACHIEVEMENTS

Organiser - Lead a team of 7 students to plan and execute an inaugural event for 1500+ first year students.

Presentation - Got Chosen to showcase the Digital Library project at the IDEC Project Exposition.
